## TERMS OF SALE

1. This sale is an unrestricted Public Auction and Mail Bid Sale. All bids are to be entered by lot as numbered in this catalogue. Mail Bidders should feel free to bid as much as they wish knowing that we will buy the lot, if possible, below their bid. Thousands of bidders to KATEN SALES can attest to this statement.
2. Prices given following lots are estimates of today's market, and only intended as a guide. You may bid higher or lower as you wish.
3. Auction Sales are not approval sales. By submitting your bids you agree to the Terms of Sales herewith set forth. No lot may be returned without written permission, and request must be made within three days after receipt of books.
4. No commission, service charge or other extras will be made for executing your bids. Only the actual cost of mailing and insurance will be made, plus a flat \$1.00 handling fee per order for packing and processing. This applies only to books. (Other cataloguers charge 50¢ per lot)
5. Bidders unknown to us must furnish references two weeks before the sale date or send a deposit equal to 25% of their bids. Bids will not be executed unless this is followed.
6. Sales are strictly for cash in U. S. Funds (unless other arrangements have been made). Payment must be made immediately upon receipt of notification or delivery.
7. All books are as described. The actual title in a foreign language is given - the cataloguer interprets the title and is in parenthesis.
8. We acknowledge the possibility of errors or typographical mistakes, and any errors or mistakes on our part will be corrected. Please be careful in placing your bids, as we cannot be responsible for your errors. We instituted the duplicate bid sheet 20 years ago for your protection.
9. Please allow at least three weeks for delivery of lots as this sale of such great magnitude requires much time for careful checking and packing.
10. A list of PRICES REALIZED will be published about two weeks after the sale. By Marking your bid sheet or ordering before the sale date, the price is \$2.00. This catalogue and price list could prove to be a worthwhile bibliography of numismatic books at today's market.
11. Lots delivered in the State of Maryland are subject to 4% Sales Tax, and will be added to the invoice.

Lynn R. Noyes

LYNN R. NOYES, a member of the American Numismatic Association for 37 years, (No. 2417), had been a student and collector of coins and numismatic literature for more than 50 years.

He had been an active member (No. 70) of the Detroit Coin Club for 29 years, having served as its President in 1939. On April 16, 1953, he was awarded an Honorary Life Membership (No. 15) in that club.

His collecting activities were wide-spread, for besides collecting coins, medals and tokens of the United States and foreign, he also was an avid collector of stamps, stamp literature, Indian Relics, Buttons and rocks.

Mr. Noyes was a retired Detroit manufacturer and died in Tucson, Arizona on July 1, 1957.

We are indeed honored to have been selected to sell at auction Mr. Noyes' Numismatic Library. We believe we have prepared a fine Auction Catalog and as usual have included an 'EASY FINDING INDEX' for your pleasure.

THANK YOU - and good bidding.

FRANK and LAURESE KATEN

1307	A TYPEWRITTEN MANUSCRIPT. A researcher has studied and written on Colonial Coins. There are 13 Chapters covering the contents. It starts with the Ancestry of American Money, then Indian, Spanish, English and French Coins circulating among the Colonies, - Chap- ter III, covers Massachusetts, and so on through Chapter XII, which covers the Bungtown Coppers, and finally Chapter XIII, the Miscellaneous pieces, such as Georgius Triumpho, Auctori Plebis, Pitt Token, etc. Approximately 200 typewritten pages, single spaced. Each chapter appears to have a bibliography. This is a valuable piece of work and with a little bit of editing could be- come a printed book.	--
